MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Military Munitions Response Process, Military Munitions Center of Expertise (MM CX) Interim Guidance Document (IGD) 06-04

1. PURPOSE:

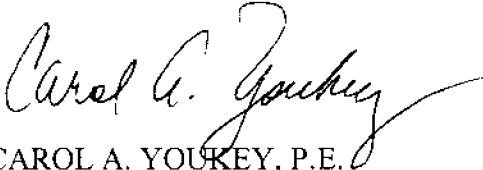

a. This interim guidance introduces the Draft Engineering Pamphlet (EP) 1110-1-18, Military Munitions Response Process, with a tentative publication date of 3 April 2006. This Draft EP contains updated guidance on implementing the remedial response process on Military Munitions Response Program (MMRP) projects. This guidance contains information on conducting Remedial Investigations (RI) and Feasibility Studies (FS), material reporting requirements, and sample formats for RI and FS reports. Due to interest in this document by the Office of the Secretary of Defense (OSD), HQUSACE publication of this EP may be delayed. Pending OSD review, you are encouraged to use this draft EP as appropriate.

b. Suggestions for improvements to this procedure should be brought to the attention of the designated point of contact provided below.

2. EFFECTIVE DATES: The information presented in this interim guidance can be used immediately. The interim guidance will remain in effect until HQUSACE publication of the final EP 1110-1-18.

3. POINT OF CONTACT: If you need additional information, please contact Mr. John Sikes at 256-895-1334.
